Antioch Man Dies in Crash

A 35-year-old rural Antioch man, Dale R. Neelans of Rt. 2, Grass Lake Rd., was killed last Thursday at about 10 p.m. when he apparently lost control of his car on Beck Rd. in Lindenhurst.

Lindenhurst police said Mr. Neelans was thrown from his car as it rolled over. He was northbound on Beck Rd. where it dead-ends at Grass Lake Rd. and he apparently was unable to negotiate the curve at the intersection, police said.

Mr. Neelans was pronounced dead at the scene from chest

and head injuries.

He was born in Waterloo, Ia., and was a resident of the Antioch area for the past 10 years. He was a member of Local 448, Carpenters' Union, in Waukegan, and for the past five years was a foreman at the Zion Power Plant.

Survivors include his widow, Beverly; three sons and two daughters.

Funeral services were held Monday afternoon at Barr Funeral Home Colonial Chapel in Antioch.

Lindenhurst Woman Qualifies for \$1 Million

A Lindenhurst woman has won \$2,500 in the state lottery and on June 14 it might turn into \$1 million.

Mrs. Thomas Ingoglia, of 2432 E. Grand, is a grand slam qualifier.

But there are 75 to 80 qualifiers and the winner of the \$1 million will be determined on Saturday, June 14, in a horse race at Arlington Park.

Mrs. Ingoglia thinks she might have a little edge on the others. June 14 will be her 36th birthday.

Apparently, if 10 horses are running in the race, 10 of the 75 or 80 names will be drawn. The "owner" of the winning horse will win \$1 million in \$50,000 a year installments. Second prize is \$50,000 and third prize is \$15,000. The rest are guaranteed \$2,500.

Mrs. Ingoglia, a secretary for JOBS in Waukegan, bought her lucky ticket from Kennedy's Bowling Pro Shop in Waukegan.

She and her husband, Tom, a lab technician at Goodyear in North Chicago, have two

daughters: Tina, 11, and Nikki, 7.

They have lived in Lindenhurst for seven years.

"It's hard to forget about," said Tom. "Everyone's wishing us luck and it's kind of hectic. You try not to think about it, or get nervous, but subconsciously you're thinking about it all the time ... the financial security and the things you could do with \$50,000 a year."

"I don't think I'd want to go through it again," he said. "It's pretty rough. We're trying to hope we won't be too disappointed if we have to settle for the \$2,500 ... but at least we've got that."

So what do the Ingoglias do for the next three and a half weeks?

"We're praying and hoping," Tom said.

Motorcyclist Caught After 'Merry Chase'

A 19-year-old motorcyclist was arrested by Antioch police on Tuesday evening of last week after a chase in which the young man drove between houses and into a wheat field in his attempt to elude the officers.

Lt. Tim Zelinski and Officer Stan Revell said they saw the cyclist disregard a stop sign at Hillside and First St. They activated their red lights and siren and said it appeared the young Antioch man accelerated.

He then drove off the street, they said, into the front yard at 586 Hillside and between two houses in W. North Ave.

The motorcyclist proceeded

west on North Ave., then rode into the field.

"He was having difficulty handling the machine, which stalled on several occasions and the driver fell off several times in an attempt to get it

started again," the police report says.

Lt. Zelinski went in pursuit on foot, but the young man got his machine started and drove behind a row of barns and sheds. Officer Revell saw him attempting to lift his cycle over a fence, got out of the squad car and blocked the young man's path just as he got the motorcycle started again.

Lt. Zelinski arrived, handcuffed the subject and the officers transported him to the police department. He was charged with disobeying a stop sign, fleeing and attempting to elude police officers. He also had no

valid classification for the cycle.

A court date has been set for June 20 at Fox Lake.

The officers said the young man warned that "next time I will have a faster bike and no one will catch me."

St. Peter's Graduation Is June 3

1,000 Attend Grade School Band Concert

The Antioch Grade School Band put on its spring concert Sunday at the Upper Grade School. The successful concert attracted an audience of approximately 1,000 people.

The Senior Band, Beginner Band, Junior Band and Jazz Band combined their energies to produce an entertaining hour of music. A total of 235 students performed. The Senior Band featured Mike Connors in the selection "Hey Pedro, Sit Down," and bassoon soloist Ingrid Lindberg did a fine performance of "Song and Dance Man" by Art Wiggins.

Also of interest to many was the second public performance of the 155 piece Beginner Band.

Graduates With Honors

Officials at Keesler Air Force Base, Miss., have announced the graduation with honors of Airman James A. Anderson of Antioch from the Air Training Command's basic course for electronic specialists.

Airman Anderson, son of Mr. and Mrs. Charles L. Anderson, Rt. 1, Antioch, received instruction in communications and electronics systems principles. He is remaining at Keesler for advanced training.

Airman Anderson is a 1974 graduate of Antioch High School.

Bake Sale

The ladies of St. Peter's Altar and Rosary Society will hold a bake sale after all Masses Saturday and Sunday.

Co-Chairmen Vi Cobb and Marcella Marcucci said they hope that all the ladies of the parish will contribute to the event. Proceeds will be donated to the mission fund.

Maxine Meyer has requested that, when doing spring cleaning, set aside clothing and household items you no longer need for the Altar and Rosary rummage sale to be held in July. The date will be announced later.

Eileen McGuire has volunteered as chairman of the annual salad bar luncheon Saturday, Aug. 16. She said she needs the help of all the women of St. Peter's parish.

Ducks Unlimited Dinner Praised

A Chicago man contributed \$500 to the national organization of Ducks Unlimited after attending the recent DU dinner in Antioch.

Along with his check, Fred Wille of Chicago sent the following note to the national headquarters:

"The best Ducks Unlimited dinner I have gone to since I joined DU was in Antioch, Ill. I think we of the Chicago area could learn a lot from this group of DU members. They gave 400 door prizes. The cost was \$10 for a DU member and this included prime rib for dinner."

Terry Folbrick, chairman for Ducks Unlimited in this area, sent copies of Mr. Wille's letter to the people who helped him with the March 12 dinner and auction at St. Peter's Social Center.

"Thanks to your efforts, results like these are possible," Terry said.

BARRY GOLDWATER

Budget of Congress Grows By 681%

By SEN. BARRY GOLDWATER

Members of Congress do a lot of talking about the size, cost and power of the executive branch of government without seeing to it that their own house is clean.

A recent study conducted by an independent organization discovered some amazing facts about the nation's lawmakers.

In 1954, for example, Congress employed 4,500 people and had a budget of \$42 million. In 1974, Congress employed 16,000 people and had a budget of \$328 million.

This is a 256 percent increase in staff and 681 percent in budget - more than could be justified by the worst kind of runaway inflation.

THE SITUATION is even worse when you understand that neither the membership nor the work output of the Senate and House has increased in 20 years.

In fact, the number of bills enacted in 1974 was exactly the same (257) as it was 10 years

ago, when Congress had only one-third the staff and budget it has today.

Legislative reorganization of the Congress in 1946 pared down the number of standing committees to 19 in the House and 15 in the Senate. Although the number of standing committees has changed very little since then, many subcommittees have been created to take the place of those abolished in 1946.

IN THE LAST Congress there were 147 subcommittees in the Senate and 133 in the House. There are nine committees handling environmental legislation, and three committees plus a presidential commission investigating the CIA.

The Senate Judiciary Committee alone had 177 employees; House Education and Labor Committee has 122 employees. In his farewell address to the Senate, Sen. George Aiken (R-Vt.), chided his fellow members for this "unholy expansion of committees, subcommittees and staff personnel which has mushroomed to an unconscionable

extent during the last decade."

PUBLIC INSIGHT into this expansion is very limited. Although Congress oversees the budget of the entire federal bureaucracy - including the President's own staff - Congress alone decides how much to spend on itself.

In the same year that Congress passed a liberalized freedom-of-information act designed to give the public greater access to government bureaucracy records, it voted to close the records of the travel expenses of House members and their staffs to the public.

St. Peter's Plans Large Reception

Rev. Francis Johnson, pastor of St. Peter's church, is planning a large public reception in honor of the parish's Diamond Jubilee and the school's 25th Anniversary on Sunday, June 15.

Cardinal John Patrick Cody will preside at the 2 p.m. Solemn Mass preceding the reception. He and Fr. Johnson

and Fr. Robert Melcher will greet all who attend and lead a champagne toast to the celebration. Hors d'oeuvres, punch and coffee will be served.

Cardinal Cody, along with visiting priests, nuns and former teachers at St. Peter's will be honored at a private dinner following the public reception.

Views of Young Students Heard By Village Board

Six students from the Upper Grade School, and two of their teachers, were on Monday night's village board agenda.

They came to ask the mayor and the six trustees to keep Sequoit Creek, as it meanders through the school's natural wildlife preserve, just the way it is.

These were some of the comments submitted to the village board by the 6th, 7th and 8th grade students:

Denise Coombs: "Please don't straighten the creek, because if you do you will kill the fish and will have to knock down Mother Nature's trees. That means you will probably kill some birds and bird eggs, so please, don't straighten the creek!"

Tim Plett: "The creek means a lot to me. If you change it the natural environment will be destroyed. It taught us students a lot and the future students won't be able to learn what we learned."

Linda Corey: "I think a creek by the school is a good idea of learning about rivers and things like that without using books."

ONE OF THE teachers, John Wheeler, told the board that "a very important tool will be lost if you significantly raise the level of the creek. And if the creek is dug up, it wouldn't be nature anymore."

Michael Teeley, director of environmental education, said the present landfill site could seriously affect the creek in years to come.

"Have you thought 10 years down the road?" Teeley asked the board. "Does Waste Management (operator of the landfill site) have our best interests at heart? They're not here to make friends, they're here to make money."

Teeley said "all criteria indicate that the present site is the worst place in Lake County to put a landfill."

MAYOR ROBERT Wilton

said he thought "if the landfill area is a problem to Sequoit Creek, it's a very minute one."

Trustee Mike Haley said high water could become a real issue, but that compensatory storage at the landfill site "and along the line" may solve any potential problems.

The mayor, Village Clerk Marilyn Stenberg and the trustees seemed delighted by the presentations of the six young students, and charmed by their presence. The mayor smiled and thanked them for coming to the village meeting and showing an interest in their community.

IN OTHER BUSINESS Monday night, the trustees opened two bids for the test drilling of a proposed well site. The bids, from firms in Aurora and Brookfield, will be discussed with the village engineer before a decision is made.

It was announced that the next regular board meeting will be Monday, June 2, at 8 p.m. The planning commission will meet Thursday night, May 29, at 7:30.

Trustee Ron Cunningham reminded those present that a

Entertainment chairman Cal Bickie has announced plans for the Moose Lodge's first cribbage tournament of this year. It is set for 2 p.m. on Sunday, June 1. "There is a sign-up sheet in the Moose hall. Come out and support your Moose functions," Bickie said.

Enrollment of new members has been scheduled for Saturday night, May 31. Sign-in time is 7:30 p.m. Afterwards there will be a sing-a-long with "Peggy" at the piano. Ladies are welcome.

Regular meetings are held on the 2nd and 4th Wednesdays of each month.

Advisors Named

Antioch has a new Citizen Advisory Committee for Environmental Education.

The committee is composed of Richard Harland, Gail Heath, Jim McMillen, Ron Nargang, Sue Sedivec, Walter Soderman, Jim Quedenfeld and Ken Wierschem.

The committee was selected to assist in the development of the Environmental Education program for school districts 34 and 117.

"It is the hope of the districts and the project," said director Michael Teeley, "that by having these people knowledgeable about the activities and goals of the program they will be able to provide the very best in environmental education for the youth of our community."

"With the efforts of these people it seems that the students of Antioch and Lake County will be able to provide the necessary leadership and input to help solve current and future problems," Teeley said.

SOMETHING BOTHERED us, however, about the reaction to this American success ... this successful use of warships, aircraft and Marines to recover the Mayaguez and its crew."

Possibly 21 American lives were lost and 70 to 80 Marines were left wounded.

Yet, one of the President's press aides asked a reporter with a big smile:

"How's that for a day's work?"

Not bad if your son or husband wasn't one of those killed or wounded. The press aide, William Greener, ought to be forced to attend the funerals and visit the hospitals and flash his big smile.

JUST IN CASE you haven't heard about Benjamin Bradlee's book, "Conversations With Kennedy," there are quotes we must share with you.

He reports that Kennedy was positively stunned by Richard Nixon's cantankerous "last press conference" on losing the 1962 California gubernatorial election and concluded that Nixon was "mentally unsound ... sick, sick, sick."

"Nobody could talk like that and be normal," JFK is quoted as saying.

A PLAQUE WAS PRESENTED to Mildred La Plant by Gerald VanderMeer, president of the Antioch Grade School Board. Miss La Plant has retired from the board after nine years of service.

Schools Honor Mildred La Plant

Mildred La Plant is retiring from the Antioch Grade School Board after nine years of service since 1966. During the past two years she has served as secretary of the board.

Miss La Plant is a native of Antioch, her grandfather and father being among the early settlers in the community.

She attended Antioch grade and high schools, and received her B.A. degree, majoring in English, at the University of Illinois.

Subsequently she attended Berlitz School in Chicago, Northern Illinois University and Carthage College in Kenosha for additional study in the language area.

Always interested in education, Miss La Plant taught in various Illinois public schools and most recently, for 12 years prior to her retirement in 1969, at Grass Lake school in Antioch.

After retirement from her teaching career, she has remained active in education as a school board member until this spring when she chose not to seek re-election to the grade school board.

Miss La Plant received a plaque last week from Gerald VanderMeer, president of the District 34 board.

The inscription on the plaque said:

"In recognition of unselfish efforts, devotion of time, and valuable counsel related to the

interests and welfare of all children in the community."

PORTS MINED

On May 8, 1972, President Richard M. Nixon ordered the mining of North Vietnam ports as part of an effort to force the Communists to agree to end the Vietnam War.

public hearing on the proposed CABL annexation will be Tuesday, June 3, at 7:30 p.m.

RAY NOWAK of the Tones & Notes record shop, 391 Lake St., asked the trustees for permission to put a "fooseball" machine and a pinball machine in his establishment.

He assured the board that it wouldn't become a "hang-out" and would be well supervised. Village attorney Andrew W. Lynch said Mr. Nowak only has to apply for permits and comply with the provisions of the village ordinance regarding pinball machines.

THE BOARD approved the purchase of a tractor from Olson Implement Co. for \$1,850, including trade-in on the village's present tractor which has "died."

The Olson firm was the low bidder. The tractor will be used to cut grass in the parks and also on local skating rinks next winter.

Village Clerk Marilyn Sterbenz was authorized to adver-

tise for bids on the 1975 sidewalk replacement program. Bids will be opened June 2 at 8 p.m.

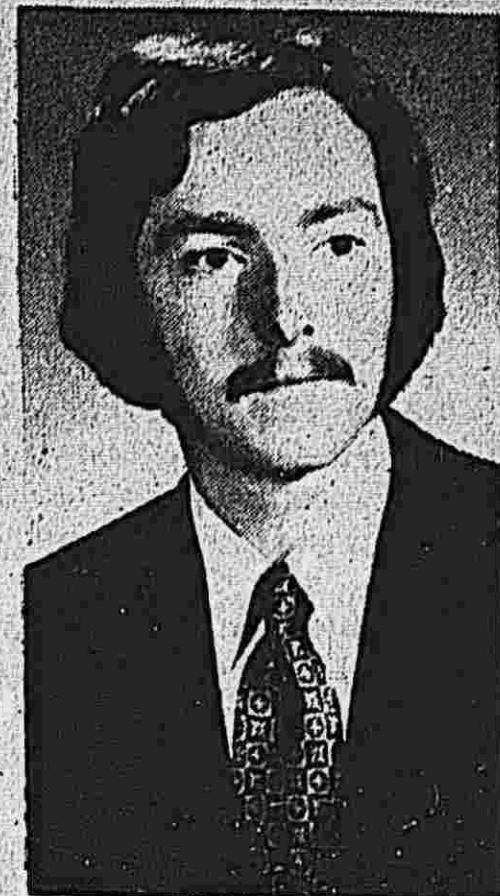

TRUSTEE HALEY said he has had complaints of dust from the landfill site. He said he would like "an overall report of what's going on over there, including the progress they're making on the new entrance into the landfill."

Haley made a motion, and it was passed, authorizing Attorney Lynch to meet with the park committee and members of the civic activities committee to investigate the establishment of a village park commission.

Haley said his public relations committee met Sunday with Jack Hilton of Glencoe, who is suggesting the construction of 100 houses here for senior citizens with incomes of \$7,500 a year or less.

Haley said Hilton needs justification for the project in order to obtain federal financing.

Hilton said senior citizens can expect future news items in the Antioch News, telling them when and where they can sign up to express their interest.

HAROLD WALSH

Graduates With Honors

Harold Walsh of Cross Lake, Wis., graduated with honors from Marquette University in Milwaukee Sunday.

He received a bachelor of science degree, cum laude, with a major in accounting.

Harold has accepted an accounting position with the Allis Chalmers Co. in Milwaukee. He is the son of Harold and Rose Marie Walsh of Cross Lake.

PULITZER AWARD

On May 7, 1973, the Washington Post received Pulitzer Prize for public service in its revelations of the Watergate conspiracy.

VFW Installs New Officers

The VFW Sequoit Auxiliary and Post 4551 installed new officers Sunday.

Shirley White, past president of Sequoit Auxiliary, was the installing officer. Ida Wysoglad was installed as president.

Ed Palinski, past commander

of the Sequoit Post 4551 was installing officer for the post and Kenneth Liddle was installed as commander.

About 20 people enjoyed a dinner at the Lake Villa Restaurant and talked over plans for another year.

Schools Asked for Views On Santino Development

Antioch village officials were scheduled to meet last night with representatives of the Emmons and Grass Lake school districts.

The object was to get input from those grade schools on Thomas F. Santino's plans to build a housing development at Antioch Country Club.

Antioch's six-member annexation committee and other village officials planned to

attend the meeting.

Trustee Mike Haley, chairman of the annexation committee, said:

"We want to give the schools an opportunity to help us make our ultimate decision. We want to know how the annexation will affect them."

HALEY SAID his committee is being asked whether it is for or against the village's possible

annexation of Santino's property.

"There's no answer to that," Haley said, "because we don't have all the facts yet. I feel our committee's responsibility is to first find out the facts, both pro and con, regarding the development."

He said the annexation committee is seeking answers to such questions as:

- Can Mr. Santino obtain a permit to build from the Environmental Protection Agency?

- Is there a conflict of interest involving Village Engineer Frank Angelotti, who has done work for Santino? (Haley said that Angelotti would do what was necessary to avoid further possible conflict of interest.)

- Did Santino at one time make a monetary offer to the schools and, if so, was he turned down?

- If the development is built, should it remain in the county or should it be in the village?

Can village services, such as sewer and water, handle the development?

HALEY SAID the "root word of community is unity. One question is, will we have a unified Antioch if we annex this property?"

Estimates are that the \$39.5 million project would add about 2,500 persons to the village once it is completed and if it is annexed.

Hart Resigns At Grass Lake

William J. Hart is resigning as superintendent of Grass Lake school.

He told the school board at its last meeting that he has made a decision to move and wanted to give the board adequate time to find a replacement.

Applications are now being accepted at the school office.

Mr. Hart's contract expires June 30 but he said he will stay until a replacement is found.

"I don't really know," he said when asked where he will be moving to. "But I plan to stay in the area."

He has been the superintendent at Grass Lake for six years.

"Obviously, I've enjoyed my work here," Mr. Hart said.

"And I'm very thankful to the community and everybody I've been in contact with for their support."

THE BOARD also announced the resignation of Mrs. Lee Ann Dragan as a second grade teacher. Applications also are being accepted for that job.

The school board has set up a committee for the purpose of negotiating with the school's staff.

Mini courses will be held at the school June 2-4. Registration for students is Thursday.

A questionnaire will be sent to residents in the district for their evaluation of questions in relation to the school, the board said.

"Now children," smiled the Sunday School teacher sweetly, "I want you to be so still that you can hear a pin drop." After a silence that seemed quite long to the children, a small boy over in the corner shouted, "OK, let 'er drop!"

Here's homeowners insurance that's a real money-saver

With the high cost of keeping a roof over your head, it's tough to keep any money in your pocket.

But Country Mutual has homeowners insurance that's a real money-saver.

In fact, 9 out of 10 qualified homeowners in most of Illinois can save up to 20 percent on homeowners insurance from Country Mutual.

That's a difference worth looking into.

Old Farmer's Riddle: What is lengthened by being cut at both ends? (Answer below.)

Ask the Old Farmer: Why the word blue in the old saying "once in a blue moon"? H. D., Beaver Falls, Pa.

There are two schools of thought. One states that under certain conditions the moon can and does appear to be blue in color. Our notion is that this could be caused by a mild eclipse, but maybe not. The other argues that the moon normally resembles a good-natured face, almost smiling. But, from some cause or other, this appearance can change until the face looks sad, or "blue."

Home Hints: You can remove scorch from linen by placing the spot between two dampened Turkish towels, then pressing the scorched area with a hot iron. The stain goes into the dampened towel where it can be washed out . . . Riddle answer: A ditch.

NEWS OF INTEREST TO

Lake Villa and Lindenhurst

6 Boys Graduating From Carmel High

Four students from Lake Villa and two from Lindenhurst will be graduating from Carmel High School for Boys on Saturday, May 31.

The Lake Villa graduates are Louis Guido, Frank Jaskowiak

Jr., Richard Soffietti and Richard Stosek. Those from Lindenhurst are Michael Callaghan and Michael Kovanda.

The high school in Mundelein is graduating 166 senior boys this year. The program, held jointly with the graduation of

Carmel High School for Girls, will take place at the school at 10 a.m.

An Awards Day program is scheduled this Friday. Scholarships and other honors will be announced then.

Now serving in Thailand is Air Force Lieutenant Colonel Elwood C. Kuske, son of Mr. and Mrs. Elmer Kuske of 415 Lake Shore Drive, Lake Villa.

Colonel Kuske, a tactical airlift pilot, was previously assigned to Wright-Patterson Field in Ohio.

Names in the News

Janet Polsgrove of Lake Villa has been inducted into the Phi Kappa Phi national honor society at Illinois Wesleyan University in Bloomington.

Phi Kappa Phi is open to students from all academic disciplines in contrast to Phi Beta Kappa, which is limited to those in liberal arts.

Only 22 students at Illinois Wesleyan were inducted this month. Janet is the daughter of Mr. and Mrs. Roland W. Polsgrove of 1525 Ravine Dr., Lake Villa.

RAYMOND PARPAN of 109 Chestnut Circle, Lindenhurst, was one of 16 Illinois State University students to serve as honorary marshals for the Bloomington school's commencement ceremony last Saturday.

Marshals, attired in cardinal robes, led the processional for graduation. "It is considered a significant honor to be selected as a marshal," the university said.

Lake Villa Church Plans Flea Market

By MRS. TOM DREHOBL

The Women's Club of the Prince of Peace church in Lake Villa is busy getting the work completed for its second annual Flea Market on the church parking lot Saturday, June 14. (Rain date: June 21) Hours are 9 a.m. to 4 p.m.

Rental spaces are still available, so if you would like to have your garage sale at the flea market, call Nell Mally at 356-3769 and she will send you a Space Rental Application form.

A space rents for \$5 plus a small fee if you desire to rent a table. If you wish, you can bring your

own table or sell from your station wagon.

Mrs. Evelyn Fitzgerald is in charge of the Kountry Kitchen and she and her helpers will be serving grilled hamburgers and hot dogs, donuts and sweets, and cold and hot beverages.

A Cake Walk will be held continuously during the day and Mrs. Jennie Volpentesta is in charge of obtaining donations of homemade "Goodies." Also, Jennie will have a booth of homemade items for sale.

Mrs. Geri Keane is collecting items which will be auctioned off, such as antiques, household appliance, etc. You can view these items from 9 a.m. on, and the auctioning will begin at 11 a.m. and last till everything is sold.

There will be no admission or parking charge. For more details, call Nell Mally at 356-3769.

LETTERS

Dear Editor:

My daughter, Loni D. Yopp, age 15 was murdered. She was murdered by an animal who was paroled in the State of Illinois on a charge of a violent sexual assault against a woman in Cook County.

Carl Daniel Goodman shot my daughter three times, twice in the chest and once in the stomach as she stood in the road naked and defenseless. Carl Daniel Goodman through his attorney and the state attorney "Plea Bargained" from 1st degree murder to 3rd degree murder. To the utter amazement of all, his plea was accepted by the presiding judge who graciously sentenced him to from six months to 10 years; not even the maximum sentence for 3rd degree murder in Florida.

I have enclosed a letter written to Governor Walker as well as copies of letters to Governor Askew of Florida and other officials. I only hope through your help we can put a stop to this type of "justice" and start protecting society from the criminal.

I believe "Plea Bargaining" is a nationwide device that should be legislated against when it concerns any violent crime. With a little financial backing and a good attorney, it seems to be the common practice among the judges of this nation to accept this "cop-out." After all it shows as another conviction for the prosecuting attorney. He too is usually looking ahead to a judgeship.

Let's help wake up this country. Let society be aware it could be their daughter next. Let's keep these animals where they belong.

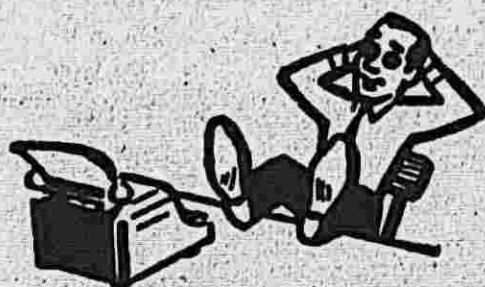

Respectfully,
Ralph J. Yopp
Englewood, Fla.

The Antioch News has a new neighbor.

Well, actually, he's an old neighbor. The same one we had last year.

Our very good friend, Tony Torchia, has purchased S&S Tailors from Carol Drygas. Tony moved in Saturday.

We became neighbors last year when we both moved in at 896 Main St. Then the Antioch News moved a block south to 950 Main St. and Tony now has moved next door, to 952 Main St.

We're still not sure what Tony is going to call his new business. Carol thinks "Antonio's" would be perfect, and we like that idea, too.

IT'S OFFICIAL. A Schwinn bicycle shop is moving in at 892 Main St. - the old Georgetown Furniture warehouse. And an ice cream parlor is getting ready to open in the back of 896 Main St., where Bits 'n' Pieces Carpeting spent a few months last year.

WE KNOW THAT state police are now using unmarked vehicles, including camper trucks, to catch speeders ... but we don't believe the guy on Lake Street who said he was arrested by an officer riding a motorcycle, wearing sunglasses, a "Hell's Angels" jacket, and with a tattoo on his hand that said: "Mother."

We just don't believe that story.

WE SEE THAT Illinois is represented on a nationwide task force to combat sex discrimination in education.

Good. It's about time the schools treated the boys as well as they've been treating the girls.

WALLY PHILLIPS says they ought put the movies "Earth-

quake" and "The Towering Inferno" on television as a double feature and have the whole thing sponsored by Shake 'n' Bake.

'Glass Menagerie' On ACHS Stage

The Studio Theatre class of Antioch High School will present Tennessee Williams' production of "Glass Menagerie" on Friday and Saturday at 8 p.m. in the school auditorium.

Admission will be \$1 for adults and 75 cents for students.

The cast consists of four characters: Amanda Wingfield, the mother of the household, a

woman who clings too much to another time and place. Her life is nothing but paranoia. She is a character of endurance and heroism throughout the play. Sut Plett portrays Amanda.

Mike Shapiro plays her son Tom, the narrator of the play. A poet with a job in a warehouse, his nature is not remorseless, but to escape from a trap he has

to act without pity.

Laura, her shy daughter, has failed to make contact with reality. She continues to live vitally in her own dreams and illusions. Robin Hunley will

portray Laura.

Brian Shirk will play the long-awaited gentleman caller, a high school star who has lost his dreams.

OAKWOOD KNOLLS NEWS

By JUDY PHILLIPS

St. Peter's Church was the setting when Donna Hanson and Mitchell Schwanbeck were united in marriage Saturday, May 10.

The couple repeated their vows during an afternoon Mass celebrated by Father Melcher. The beautiful music for the Mass was sung by Ralph Bugano accompanied by Brother Gerald of St. Benedict's Abbey at the organ.

The maid of honor was Nancy Nuytens. The bridesmaids were Kathy Ostrowski and the bride's sister, Barbara. The flower girl was the bride's cousin, Gina Stellato; and the bride's brother, Stephen, was the ring bearer.

The best man was Mark Larson. Groomsmen were Jim Kempinski and Bill Royce. The

bride's brothers, Jim and John, were ushers. About 185 people feted the couple at a reception at the Northern Chalet in Libertyville. The bride's parents are the Don Hansons of Oakwood Knolls and the groom's parents are the Clayton Schwanbecks of Lake Villa.

CONGRATULATIONS to Kitty Purfeerst, a third grade student at St. Peter's, who was one of eight winners from among nearly 3,000 entries in the Northern Illinois Gas Company's poster contest.

The theme of the contest was "New Ideas to Conserve Energy." Kitty's poster depicted several pictures of things we should turn off to conserve energy and her poster's slogan was "One Good Turn Preserves Energy."

Kitty, representing NI-Gas'

northwest division, and the seven other NI-Gas division winners were honored at an awards dinner at the Sheraton Hotel in Oakbrook. Each of the winners received a \$25 check and a corsage.

DARLING Jennifer Jo Leonhart was baptized Sunday, May 11, at the Antioch Methodist Church. Her cousin, Terri Leonhart, and her uncle, Bob Dow, were her sponsors.

LORI TULL AND BOB JUNIUS

Top PM&L Talent In 'Butterflies'

Perhaps you have heard the saying that a play is only as good as an author's script.

If this is true then Leonard Gershe's "Butterflies are Free" is one of the finest comedies ever written. But as good as a script may be, it is also true that a play is only as good as the weakest actor - and PM&L's production of "Butterflies," opening Saturday, May 31, boasts a cast of four talented and experienced performers.

Bob Junius, who plays Don Baker, has played roles in both Illinois and Ohio. At CLC Theatre he has performed in "Under Milkwood," "The Point," "Tartuffe" and "Antigone." He has also been associated with Falls Masquers in Ohio and the 1974 Renaissance Fair in rural Gurnee.

LORI TULL, Jill Tanner in the play, has also been in CLC's "Under Milkwood," "Tartuffe," and "The Point." At the Woodstock Opera House she did "The Effect of Gamma Rays on Man-in-the-Moon Marigolds," and with Kirk Players in Mundelein she was in "Macbeth Did It."

The mother, Betty Smouse, has done a number of leading and supporting roles in PM&L plays - "South Pacific," "Thurber's Carnival," "Sound of Music," and "Oliver." Other productions she's been in are "Broadway, Etc." and "Fanfare."

TOM HAUSMAN, who portrays Ralph Austin, has appeared in three semi-professional productions - "Last of the Red Hot Lovers" at the Abbey Theater in Fontana, "Celebration" with Mr. L's Theater, and "The Price" with Covent Garden Productions. His most recent community theater roles were Tevye in "Fiddler on the Roof" with the Gaslight Players and as Uncle Max in "The Sound of Music" with PM&L.

Reservations are being accepted now for May 31, June 6, 7, 13 and 14, by calling 395-3055.

'Spruce Up' Mailbox

This is "Mailbox Improvement Week," a traditional spring observance which contributes to improved security and appearance of the nation's nearly 25 million mailboxes.

Postmaster Walter P. Barnas said the event has long served as the signal for community efforts to repair, repaint and make other improvements to rural and suburban curblinetype mailboxes.

The mail receptacles are often damaged by winter weather.

"Because more Americans receive their mail today on rural routes than ever before, 'Mailbox Improvement Week' is more important than when first observed generations

ago," Barnas said.

Rural mail service began in 1896. In those days many make-shift receptacles were used as mailboxes. One favorite was a tin can nailed to a tree. Today, manufacturers provide a variety of mailbox designs for use with decorative posts in cooperation with the Postal Service.

"Customers who prefer other designs than the traditional mailbox can check with me for a list of manufacturers making approved optional designs," Barnas said. "I am also authorized to approve custom-made mailboxes when they comply with postal regulations."

STATE BANK TOUR - Fourth graders from Emmons Grade School accompanied their teacher, Mrs. Dee Baum, on a tour of the State Bank of Antioch. Tom Kedzie, auditor of the bank, and Mrs. Jeannette Palusis, assistant auditor, conducted the tour which included such facilities as the teller area, new account and loan offices, vault, 24-hour cash card machine and the bookkeeping department. Those observing Mrs. Palusis at one of the proof machines in bookkeeping are, (Back row) Mrs. Morton Romie, Tim Hartokolis, Mrs. Roy Haase, Carrie Romie, Linda Zimmerman and Chris Becker. In the

foreground are: Steve Haase, Craig Sheedlo, Luke Kuligowski, Mike Roy, Carolyn Stanley, Tonna Wallace, Laura Carter, Dowan Stoltz and Rhonda Sibiski. Other members of the group touring the bank were: Cheryl Whisler, Kirk Vogt, Alice May, Don Buckmaster, Greg Nottingham, Lisa Oddsen, Greg Anderson, Joan Cilik, Theresa Weber, David Beattie, Todd Wilson, Lisa Davis, Karla Bolton, Joan Karczewski, Shelly Volling, Mrs. Ronald Sheedlo and Mrs. Forrest Bolton. Refreshments were served during a brief question and answer period following the tour.

ABC's of Travel

By BARB CORBIN

Following are a few odds and ends of travel information I would like to pass on to you.

The long talked about "Baggage Liability" has been delayed until June 2. Washington (CAB) wants to raise the carriers' maximum liability to \$750 from \$500 and allow passengers to file claims up to 90 days after the incident (removing the current 45-day limit) and permit passengers to claim expenses resulting from lost baggage.

The Air Transport Association has asked for a delay because of the number of baggage liability cases that have been coming in. Many carriers have baggage in their Lost and Found headquarters

which have never been identified. Remember, that little luggage tag on the outside can come off very easy along with the airline tag. So remember to pin, tape or sew your name and address on the inside.

This procedure not only helps the airlines but also gets you

your suitcase back.

Any of you people traveling to or through Portugal in the near future; be sure and check in with the U.S. Embassy of the country prior to your entrance to Portugal. This way the consular officials can keep informed of your whereabouts. Portugal has once again closed its borders with Spain to rented or privately-owned automobiles. Public vehicles and buses are still permitted to cross.

In the summer, many teachers and students take off for Europe and drive from one country to another in the same manner as we drive from one state to another here. So be sure and check with the U.S. embassy in any country for any information. They are in the foreign countries to help with our needs while visiting, and we pay taxes for this service, so don't be afraid of using it.

The embassy is only too willing to help; I've used their services many times.

AARP To Meet

The Antioch chapter of the American Association of Retired Persons will meet next Tuesday at 12 noon at St. Peter's Social Center.

Reservations are now being accepted for the group's Milwaukee boat trip on Thursday, May 29. Buses will leave St. Peter's parking lot at 10:30 a.m. Tickets must be purchased in advance, according to vice-president Esther Aiani, 395-5354.

The Association meets on the second and fourth Tuesdays of each month.

ACHS Meeting

The regular monthly meeting of the Board of Education of Antioch Community High School will be held on Thursday at 7:30 p.m., in the board room.

Vavrusa First Candidate

John Vavrusa, 47, of Grandwood Park, who is a licensed funeral director and a registered embalmer for over 20 years, became the first candidate to announce that he is tossing his hat into the ring for the 1976 county election.

VAVRUSA ANNOUNCED at a press conference at the Gurnee Holiday Inn May 13 he would be seeking the Democratic nomination for the office of coroner in the 1976 primary election.

"I have taken a considerable amount of time in

trying to make my decision," Vavrusa said. "I am now convinced that I will be a good candidate for the office of the Lake County Coroner."

"One of the main reasons I feel that I will be a good coroner and be able to give the professional service that the residents of the county deserve is because of my background as a licensed professional embalmer and funeral director," Vavrusa said.

"I know that the Democratic party can provide me with the backing that I need," Vavrusa added, "and at this point there is no doubt in my mind that the opposing party is in difficulty and that the Democrats in Lake County

are becoming stronger and stronger."

"I have every bit of confidence that the Democratic party will choose me as their candidate for the coroner's office," Vavrusa emphasized, "and that at the general election voters will elect me to the office."

"IT WILL BE my goal to provide a better understanding and cooperation between all Lake County physicians and funeral directors."

"It will also be my goal that there will be better utilization of the present county morgue," he emphasized.

Other goals pointed by Vavrusa included reviewing

McClory Urges Fox River Funds

Congressman Robert McClory has urged a House Appropriations Subcommittee to approve \$420,000 of funds to continue the Fox River Valley Basin Study aimed at controlling floods and improving the quality of water in the Fox River and tributaries.

In his statement to the committee, McClory noted that only \$180,000 is currently recommended for the Fox River Project despite the Corps of Engineers assurance that it has a capability of far more activity — justifying the larger \$420,000 figure.

The congressman's testimony is bolstered by a statement from Rep. John Anderson, whose Congressional District includes a portion of McHenry County and by Rep. Tim Hall whose district includes the southern portion of Kane County.

McClory stated in part: "The Fox River Project is supported by the county boards of Lake, McHenry and Kane Counties, and is receiving funds and in kind support from the Illinois state government and others, including the Chain-

O-Lakes Commission headed by William Brook of Antioch."

McClory further stated that the Fox River had been a source of constant flooding and as a consequence it has been frequently declared a disaster area. He urged the additional funding as the means for solving the problems of the Fox River on a permanent basis.

He described the Fox River as one of the most attractive and popular multiple use waterways in the nation.

FINGER CAUGHT

Terry Tinen, 16, caught his finger in a mechanic's box wrench in the rear parking lot at Grant High School in Fox Lake, and a call was made to the Fox Lake Fire Dept. and Rescue Squad for aid.

A MAD DRIVER

Mayor Richard Welton corraled a driver who reportedly was driving recklessly Friday evening in the American Legion parking lot. Floyd J. Frayer, Kenosha, told police he was driving in a reckless manner because he was mad. Frayer was let go with a warning.

'Spruce Up' Mailbox

This is "Mailbox Improvement Week," a traditional spring observance which contributes to improved security and appearance of the nation's nearly 25 million mailboxes.

Postmaster Walter P. Barnas said the event has long served as the signal for community efforts to repair, repaint and make other improvements to rural and suburban curbside-type mailboxes.

The mail receptacles are often damaged by winter weather.

"Because more Americans receive their mail today on rural routes than ever before, 'Mailbox Improvement Week' is more important than when first observed generations

ago," Barnas said.

Rural mail service began in 1896. In those days many make-shift receptacles were used as mailboxes. One favorite was a tin can nailed to a tree. Today, manufacturers provide a variety of mailbox designs for use with decorative posts in cooperation with the Postal Service.

"Customers who prefer other designs than the traditional mailbox can check with me for a list of manufacturers making approved optional designs," Barnas said. "I am also authorized to approve custom-made mailboxes when they comply with postal regulations."

Following are a few odds and ends of travel information I would like to pass on to you.

The long talked about "Baggage Liability" has been delayed until June 2. Washington (CAB) wants to raise the carriers' maximum liability to \$750 from \$500 and allow passengers to file claims up to 90 days after the incident (removing the current 45-day limit) and permit passengers to claim expenses resulting from lost baggage.

The Air Transport Association has asked for a delay because of the number of baggage liability cases that have been coming in. Many carriers have baggage in their Lost and Found headquarters

which have never been identified. Remember, that little luggage tag on the outside can come off very easy along with the airline tag. So remember to pin, tape or sew your name and address on the inside.

This procedure not only helps the airlines but also gets you

your suitcase back.

Any of you people traveling to or through Portugal in the near future; be sure and check in with the U.S. Embassy of the country prior to your entrance to Portugal. This way the consular officials can keep informed of your whereabouts. Portugal has once again closed its borders with Spain to rented or privately-owned automobiles. Public vehicles and buses are still permitted to cross.

In the summer, many teachers and students take off for Europe and drive from one country to another in the same manner as we drive from one state to another here. So be sure and check with the U.S. embassy in any country for any information. They are in the foreign countries to help with our needs while visiting, and we pay taxes for this service, so don't be afraid of using it.

The embassy is only too willing to help; I've used their services many times.

Kitty Purfeerst Wins Award

Northern Illinois Gas Co. has announced the names of the eight winning division entries in its recent school poster contest, Project: N.I.C.E. (New Ideas to Conserve Energy).

Kitty Purfeerst, 222 Hickory, Antioch, was the local winner representing NI-Gas' Northwest Division.

The contest was open to all elementary schools in NI-Gas' 35-county service area.

A third grader at St. Peters School, Purfeerst's poster was one of eight selected from among nearly 3,000 entries received by the company.

Judged on creativity, neatness, message and originality, this year's contest enabled students in elementary grades three, four and five to illustrate their ideas on the conservation of energy through the popular medium of posters.

Kitty, along with the seven other NI-Gas' division winners, will be honored at an awards dinner where each student will receive a \$25 cash prize.

Bicentennial Poster Contest Announced

William E. Brook, president of the State Bank of Antioch, has announced that the State Bank, in conjunction with Antioch Bicentennial Celebration, is sponsoring a Bicentennial Art Poster Contest open to students from fifth grade through high school grades.

Prizes to be awarded include a Panasonic compact nine-inch diagonal screen portable solid-state television set, one for Best Of Show at the grade school level and one at the high school level.

A \$20 savings account will also be awarded at each grade level. Students are to enter in the grade in which they are enrolled during the current school term. One entry per student will be accepted and must be submitted on an official

State Bank Poster Board which can be picked up at the State Bank during business hours.

All media will be accepted including collages. Entries will be judged on originality, composition, neatness, appropriateness to the patriotic theme and craftsmanship. Judges are Jane Craner, art instructor at Antioch Community High School and Ellen McDowell and Claire Gilday, local artists.

Completed entries must be submitted to the State Bank of Antioch by June 28. Winners will be announced at the Antioch Art Fair on July 6 and will be displayed in the State Bank of Antioch Art Fair booth.

All entries will then be given to the Antioch Bicentennial Commission

Condell... A Hospital that Cares Thanks A Community that Cares

It is with genuine pleasure that Condell acknowledges the many contributions made to our Development Fund during 1974.

Condell continues to develop because of strong community support, as is demonstrated by this list of 1974 contributors. Through the generosity of these faithful supporters, we were able to purchase diagnostic and patient care equipment costing approximately \$500,000.

In this issue is our 1974 Annual Report; we feel it graphically presents our story and our thanks to you.

Sincerely,
Earle Harrison

Set Open House May 18 At Downey Veterans Hospital

A full schedule of Hospital Week 1975 activities will be topped off by an Open House for veterans, their families and the general public at Downey Veterans Hospital on Sunday, May 18, from 1 to 4 p.m.

Included in the open house

will be exhibits and tours of new or expanded facilities designed to highlight and explain Downey's new role as a full service medical and surgical hospital.

The main exhibit area will be in the new learning and resource center which en-

compasses the new Medical Library, Medical Illustration and Nursing Education facilities.

Tours will leave from that area and cover Buildings 133 and 131. They will include visits to the admissions and outpatient areas, pharmacy,

physical therapy, eye clinic, radiological clinic, clinical laboratory, dental clinic, quarter-way display of nursing equipment.

Hosts and hostesses as well as tour guides will be available to explain the functions of the various

facilities and answer questions.

Special parking arrangements will be made and visitors are asked to look for hospital police who will direct them to these special areas.

Activities held this week

included programs Monday, Tuesday and Wednesday.

The activities and open house on Sunday will give the public a chance to learn more of the changing and expanding role of the hospital, said Paul K. Kennedy, hospital director.

How to add \$50,000 to your retirement savings without even trying

Wage earners who are not covered by a pension plan can now save tax-sheltered dollars toward their retirement.

The result? A build-up of your retirement savings by an extra \$40,000, \$50,000 ... even more!

The Individual Retirement Account makes it possible ... and we make it easy, with our Individual Retirement Savings Account—the IRSA.

You may save up to \$1500 or 15% of your wages, whichever is less, each year. For Federal income tax purposes, contributions to your IRSA are fully deductible from gross

income, and you may make this deduction even though you do not itemize other deductions.

The interest your savings earn is also tax-deferred until retirement, when your exemptions will be higher and your tax bracket lower. Compounding of the interest over the years generates *more* dollars, to build a retirement fund that is *tens of thousands of dollars more* than would be possible with taxed dollars. The table shows you just how much more you can accumulate.

The sooner you start the sooner you save tax dollars, so don't delay.

Phone or stop in our office for complete information explaining the IRSA Plan Account Today!

HOW IRSA SAVINGS GROW COMPARED TO TAXABLE SAVINGS

Based on \$1,000 saved at the beginning of each year in a 7.50%, 4-Year Savings Certificate, with interest compounded daily. *

	SAVINGS IN IRSA PLAN (Taxes Deferred)		SAVINGS WITHOUT IRSA TAX BENEFIT (32% Tax Bracket)
	Amount You Have Deposited	Total You Have with Compound Interest Added	
After 5 years	\$ 5,000	\$ 6,296	\$ 3,979
After 10 years	10,000	15,458	9,131
After 15 years	15,000	28,787	15,798
After 20 years	20,000	48,180	24,428
After 25 years	25,000	76,396	35,599
After 30 years	30,000	117,447	50,057

Interest rates may vary from time to time, but should not substantially affect the Plan.

*A substantial penalty is required for early withdrawals from savings certificates.

Why An IRA Account At Antioch Savings?

Placing your IRA money in a savings account has distinct advantages. Your savings are insured — safe by an agency of the Federal Government to \$40,000.00. And you are assured of the steady, rewarding growth of your dollars, as you saw in the table. Because of its special advantages, we like to call this plan the IRSA — Individual Retirement Savings Account.

Play Ball Cry Near

Opening day, May 18, for the Antioch Little League will feature a double header, with Mayor Robert Wilton throwing out the first ball.

Last year's American League champs, the Giants,

coached by Ron Sheedlo will play the National League winners, the Yankees, coached by Bob Berchtold at 1 p.m., with the Tigers and Cardinals clashing in the second game at Williams Park (by the library).

CLEANING CREEK — Antioch Upper Grade School students mixed a little play with work as they spent Saturday, May 10 cleaning up a portion of Sequoit Creek. Students were assisted by Mike Teeley and Wayne Ochwat, teachers at school. Project was part of environment class at Upper Grade School. — Photo by Layton Plyman.

Tennis Court Rules Given

Tennis court regulations for public play on Antioch High School Courts are:

No street shoes - rubber soled flats only.

All play will end on the hour when there are people waiting.

High school and Jensen Park courts closed at sunset. Pool courts closed at 9:30 p.m.

No bicycles or roller skating allowed on courts.

No foul language, horseplay or alcoholic beverages allowed.

Any known destruction of facilities will be subject to police action.

All rules police enforced.

Signs will be printed and installed at all courts by end of May. Regulations are in effect now.

Antioch Local SQUARE DANCE PARTY
Thirty couples will be observing the first anniversary of the Diamond Hasher Square Dance on May 23 at Antioch Grade School from 8:30 until 11 p.m. It's a party and you're invited. Bill Shymkus is the caller. Diamond Hasher's swing every fourth Friday of the month, but this is special. Do - see - do and away you go.

Grass Lake Annual Dinner Dance Slated

Grass Lake School will have its second annual dinner-dance at Brae Loch Country Club, Grayslake, on May 23.

Cocktails may be purchased at 6:30 p.m. and dinner will be served at 7:30 p.m.

Tickets may be purchased at Grass Lake School office. Dinner will include a choice of chicken, prime rib or filet mignon.

An evening of fun and entertainment is planned and a cordial invitation is extended to all.

Pat Tanner To Show Art In Tulumul

Patricia Tanner, Art Center at Lakeview Pl, Antioch, has been invited to be the feature artist at Tulumul in Fort Atkinson, Wis.

Mrs. Tanner will demonstrate her art in a one-woman show on Saturday, May 17 and Sunday, May 18.

Known for her work with metal enameling, Mrs. Tanner will show several methods and techniques in her demonstration, among these will be plique a jour, cloisonne, black line and scuffito.

Tulumul signifying mold, earth and fire, is famous for its "demonstration pit" where visitors and students gather to sit on the steps, take notes and discuss the art taking place. In connection with Tulumul is the Fireside Restaurant, an outstanding example of modern architecture.

Judy Witt said London was wonderful. "She felt she could enjoy living there forever."

She and Dick have found by judiciously avoiding strong drink and overeating on the flights, along with a short nap on arrival, that they can avoid "jet lag" which plagued them on their first European trip to Germany.

They rented a carriage for a historical tour which was delightful, also rented a car to go out into the countryside and to Stratford on Avon.

London has eliminated 70 per cent of their smog problem, and are in the process of cleaning black grime from their buildings. They also went to House of Commons, saw Crown Jewels and usual sights. (They brought home many gifts — to Jessie Carter, Dick's secretary — went a gorgeous weddingwood, flowered, china box. Also, Judy said there were flowers in bloom everywhere — a beautiful time of the year to go.)

Do you recall the village flag contest during the Antioch Diamond Jubilee. Are you wondering whatever happened to the official flag? It is displayed in the meeting room of the village hall. Because it is handmade — two of a kind — Clerk Marilyn Sterbenz is protecting it from the elements. Every village birthday it's hoisted with the American flag outside the village hall.

Another neat note: Antioch was incorporated on Leap Year Feb. 29, 1892. So if you want to see the village flag wait until next Leap Year Day or drop in at the village meeting room.

Birthday kisses to John H. Conners, Paul Dugenske, Jackie Olisar, Roman Vos, Dan Carrick, Peter Kessler, Polly Bruhn, James Burmeister, Joan Larson, Jeff VanPatten, Chuck Madsen, Mike Harland and Vicki Plotz.

Best wishes go with Michelle Blanchette as she goes downstate to Eastern Illinois University for the May 16-17 state track meet. She is going as our only

Antioch High School representative.

David Andrew Debenham, son and heir of David and Barbara Debenham of Loon Lake, will be celebrating his first birthday May 18 with a family picnic in the back yard. Loving grandparents and "cousins by the dozens" will toast the little fellow in singing the birthday song as he blows out a single large candle. Happy birthday dear David, happy birthday to you!

Mrs. Alice Bessette is home from the hospital following her car's collision with a semi. Accident occurred at Hwy. C and Rte. 45, two weeks ago.

She suffered a broken collarbone and nine broken ribs, but she says: "I'm glad just to be around." A car is no match for a semi. It happened so quickly, "The Bristol Rescue Squad was there in a minute. I don't even know who to thank." Alice is so grateful for all the cards and flowers she received while she was hospitalized: "Everyone was so sweet. They brought in meals for the kids and helped in so many ways."

Now it's rest and relaxation for her at home. This might be the right time to read something like "Decline and Fall of the Roman Empire" or "The Source." Anyone got a good book they can loan Mrs. Bessette?

Home from the hospital and looking very fit is Dr. W. C. Petty. After eight days of testing doctors gave him the all clear — go ahead sign. Antioch's handsome senior citizen says he takes exception to the lines by Robert Browning: "Come grow old with me, the best is yet to be." Dr. Petty says either Browning didn't know what he was talking about or it's out and out propaganda.

Hey, the United Methodist Church of Antioch is going to have a full blown celebration next Sunday in observance of Pentecost. Hallelujah.

Don't bother to call Beverly Knutsen between 10:30 and 11 a.m. on Wednesday. She joined Camp Ravenswood's "Slim 'N Swim" program and will be going through her exercise and great shape routines.

Jones, Relay Team Qualify for State

Athletes from the bigger schools almost dominated Saturday's district track and field meet at Zion, but none got bigger applause than Antioch's sprinters.

Antioch's star, Mike Jones, won the 100-yard dash in 9.9 seconds and then broke the tape in the 220 in 22.4.

Then Jones teamed up with Ron Gramer, Dave Moore and Karl Blumenschein to beat "the big guys" in the 880-yard relay in the time of 1:32.6.

As a result, those four athletes qualified in their specialties for this weekend's state meet in Charleston.

Zion won the district title with 53 points and Waukegan was second with 51. Antioch placed sixth in the 17-team field, scoring 22½ points and finishing far ahead of all of its Northwest Suburban Conference rivals.

ANTIOCH'S STAR distance runners did well in the district, but didn't quite qualify for the state. Kevin Walpole was fourth in a fast one-mile race, won by Ricky Harris of Lake Forest in 4:23. And Mike Harland was fourth in the two-mile, won by Dave Erdal of Waukegan in the rapid time of 9:23.

THE CONFERENCE track meet began at Antioch Monday and was scheduled to be concluded Tuesday evening, after this issue went to press.

After Monday's competition

in the field events, Antioch was second with 44 points. Woodstock led the 10-team meet with

CLEARING 6 FEET 2 INCHES in the high jump in the conference meet here Monday evening was Jerry Michalek of Antioch. Jerry matched the winning height of a Cary-Grove jumper but had to settle for third place because he had more misses at lower heights.

45.

Jones won the long jump at 21 feet 5 inches and Ron Mitchell of Antioch leaped 20-5 for fourth place.

MIKE WARE won the triple jump, surpassing 43 feet. Ware, a junior who should be one of the stars of Lake County again next season, exceeded 41 feet in last Saturday's district meet but failed to qualify for the state. He went past 43 on one of his efforts, but fell backward in the pit when he landed.

Jerry Michalek high jumped 6 feet 2 inches in the conference meet Monday evening and finished third. A Cary-Grove jumper won it at 6-2, but Michalek had to settle for third because he had more misses. Bob Packert of Antioch, who has cleared 6 feet this season, placed fifth at 5-10.

Dennis Pederson was third in the shot put for Antioch at 47 feet and Dale Eastman was fourth in the shot and fifth in the discus.

In Tuesday evening's finals,

Antioch's favorites included Jones and Dave Moore in the dashes; Bob Walsh, who qualified for the finals in the high hurdles, and Kevin Walpole, who ran a 4:36 mile in last Saturday's district meet.

Lions Club Honors High School Athletes

FOR THE 34th YEAR, the Lions Club of Antioch honored the local high school's senior athletes at their annual athletic banquet. The event took place last Wednesday. At left, Mayor Robert C. Wilton presented a trophy honoring the Sequoia's championship basketball team. From left: star player Russ Albano, Mayor Wilton, most valuable player Mike Perrone and Coach Roger Andrews.

MOST VALUABLE ATHLETES honored at the Lions Club banquet included (from left): Pat Houghton, golf; Frank Pleviak, football; Mike Perrone, basketball; Scott Shaffer, wrestling; guest speaker Tommy Mont, the DePauw University football coach; George Peirce, cross-country; Earl Stringer, president of the Lions Club, and Mike Jones, track and field.

GIRL ATHLETES winning most valuable player awards at the banquet posed with ACHS Superintendent Warren Polley and Lions Club President Earl Stringer. From left: Debbie Haling, volleyball; Margaret Bessette, field hockey; Melinda Harris, gymnastics; LuAnn Oddsden, basketball, and Michele Blanchette, track and field. Not present for photo was Diane Layton, most valuable player in bowling.

Wild-and-Wooly Race at Waukegan

Bob Dotter edged George Dukas in a wild-and-wooly feature race Sunday night at the Waukegan Speedway. The race was stopped and declared complete after 29 laps.

Dotter took command in the eighth lap with Dukas his constant shadow right to the finish. And the finish came one lap earlier than expected as Ray Young's car dumped grease in the third turn.

First Bob Schacht spun with Dukas also looping along with several other cars as the red lights came on.

Young, despite a trail of sparks, finished third over Larry Schuler, Rich Sundling and Joe Torri. Earlier Sundling had set fast time while Young won both the dash and the fast heat. The other late heat was won by Dave Weltmeyer.

The feature came to a crashing halt in the fourth lap when Jim Naset, in his first late model ride, spun directly in front of the leaders with Lou Clavey, the pacesetter at that point, slamming hard into the concrete wall directly in front of the stands. The rest of the field

scattered with no major damage. The race was stopped again in the sixth lap when Bill McDonald and Dave Weltmeyer collided on the backstretch.

Red Hacker of Waukegan won the "Beat Your Neighbor Races" driving a '69 Toronado. And Bob Roper won the "grudge race" over Bob Rasmussen.

This coming Sunday night the Carling 50-lap Spring Championship will be run at Waukegan.

Colburn, Norton Win Wilmot Races

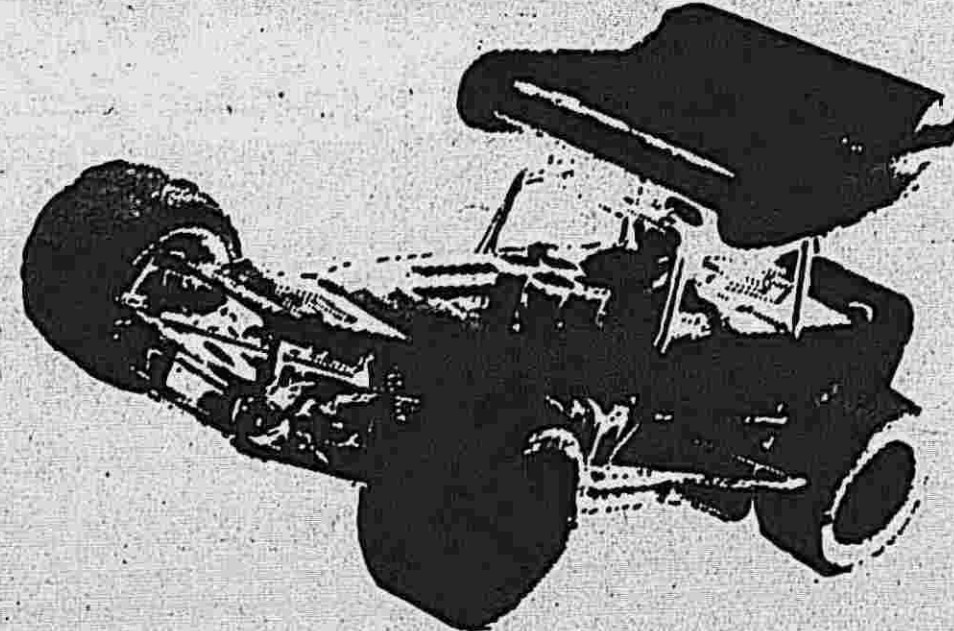

Super modified driver Dick Colburn of Muskego, Wis., and late model sportsman driver Duke Norton of Wonder Lake posted feature wins for the second week in a row last Saturday at the Kenosha County Speedway in Wilmot.

For Colburn, the feature win was almost a carbon copy of the fourth heat race. In both, he was dogged continually by the black No. 30 of Jim Moulis of Johnsbury as both cars made their way through traffic and then duelled for the top spot.

Moulis' mechanic had remarked before the races that the Moulis car was as fast as any on the track. Later Moulis commented that he was gaining on Colburn in the feature, but at only a few feet per lap. "Another 50 laps and I'd have had him," he quipped.

Norton once again dominated the sportsman feature event as he held off a threat from his brother Sid and the determined efforts of Don Collins of Lake Villa.

ANTIOCH HIGH SCHOOL'S CONFERENCE will be honored at 7 p.m. Wednesday, June 4, at a banquet sponsored by the State Bank of Antioch. Pres Reckers, vice-president of the State Bank last week presented guest tickets for the high school team members, coaches and cheerleaders to Ward Lear, ACHS athletic director. From left: Ted DeRousse, wrestling coach; Scott Shaffer, most valuable wrestler; Mr. Lear; Mr. Reckers; LuAnn Oddsen, most valuable girls' basketball player; Christy Arendt, girls' basketball coach;

Mike Perrone, most valuable boys' basketball player, and head basketball coach, Roger Andrews. The event will be at Lorenz's Smart Country House and the guest speaker will be Jeannie Morris, NBC news and sportscaster. Mrs. Morris, whose husband, Johnny, is the "News Five" sportscaster and former all-pro wide receiver for the Chicago Bears, has been with WMAQ-TV since 1969. Tickets are available till May 31 at the State Bank and Antioch High School at \$6 a person.

Sweep Track Honors

The seventh grade boys' track team of Antioch Upper Grade School captured the Northwest Suburban Grade School conference title last Saturday. The meet was held at Grant High School.

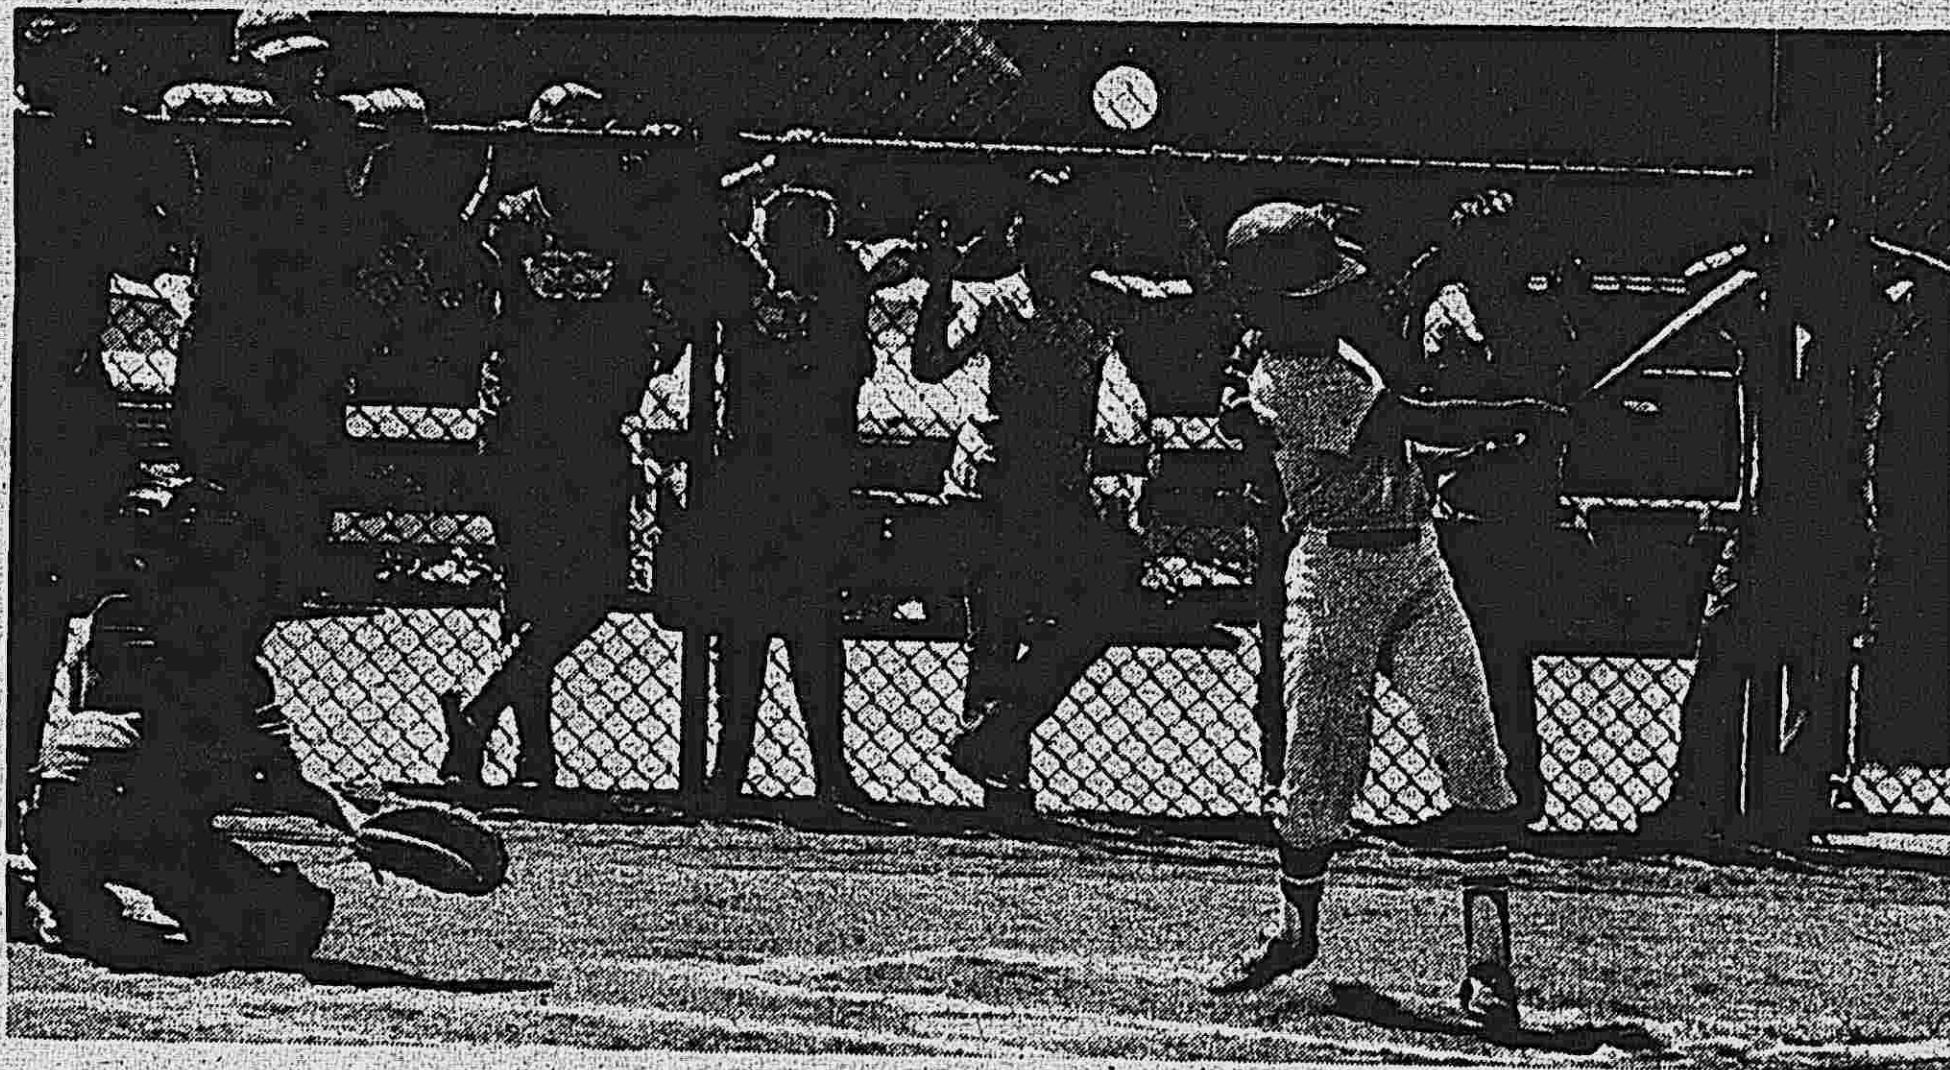

The eighth grade team didn't fare too well as a team; however, it did manage to capture 12 individual awards. Gene Lehn won four ribbons, Tom Stroschein three, Tony Froom and Jeff Conklin two each and Darren Houghton earned one.

In the seventh grade division, it was all Antioch, with the young athletes grabbing 23 ribbons and a conference championship trophy.

Denis Flaschner led the Apaches with five awards - all firsts - discus, shot put, 220, 880 relay and sprint medley relay.

Matt Firestone also had five and set a new conference record in the 880 while earning his prizes. Dan Verkeyn and Scott Petersen each brought home three ribbons; Bob Hargett and Andy Dugenske two each; and Dave Behne, Robbie Rohrs and Ed Bigham each scored once.

A HOME RUN with two men on base was hit by Dave Froom of the Yankees in Sunday's Little League opener here. It helped the Yankees beat the Giants 7-5. If you look closely, you'll notice that both of Dave's feet left the ground as he whacked the ball over the left field fence. In Sunday's other opener, the Cardinals beat the Tigers 7-3.

The Antioch High School gymnastics club will present its second annual gym show at 7:30 p.m. Sunday.

The show at the ACHS gymnasium is titled "We've Come a Long Way, Baby."

Tickets are \$1.25 for adults and 75 cents for students. They can be purchased from gymnastics club members or at the door on Sunday night.

This year's show will be even better than last year, members of the club feel. In addition to the ACHS girls team, performances will be given by experienced gymnasts from the Mundelein Acronauts, including trampolinist Rob Marlette and his wife, Janet.

Antioch's "Little Kids," ages 4 to 12 years old, will display their talents, and so will the high school Pom Pon girls.

A newly-formed boys' troupe also is on the program, including star wrestler Scott Shaffer performing on the balance beam. Other boys in the show are Bill Hogan, Ron Payton and Gary Palinski.

Jim Eckerdt of Lake Mills, Wis., found conditions to his liking at the Lake Geneva Raceway Saturday in his first 1975 race there.

When the checkered flag ended the 30 lap feature, Eckerdt and his 1973 Camaro

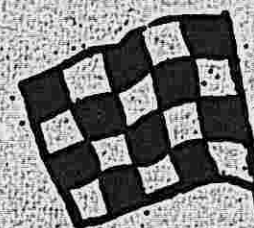

were in front and scored an impressive win over last week's feature winner, Al Schill.

Schill had started in the back as all previous week's winners will this year at the raceway.

Price of Gas
Up a Penny

Average gasoline prices rose almost a penny per gallon in the Chicago metropolitan area during the past two weeks, according to the Chicago Motor Club.

The average price for a gallon of gasoline in the Chicago area rose to 57.7 cents for regular and 62.3 cents for premium. Two weeks ago, prices were 56.8 and 61.4, respectively.

A year ago, average prices were 56.9 for regular and 60.9 for premium in Chicago and suburbs.

The Little League opening games Sunday were really great ... so nice not to be sitting wrapped in blankets as we were in years past.

Ummm Good ... Especially on a hot Sunday afternoon.

White's Ice Cream Parlor is giving a free hot fudge sundae (or a shake or a malt) to each Antioch Little League, Minor Leaguer and girls' softball player who hits a home run this season.

"We gave two sundaes on Sunday," Rod White said. Kevin Fucela and Dave Frook hit home runs for the Yankees in the opening game, then hurried right over to the nearby Ice Cream Parlor for their reward.

Remember everybody, the Antioch Savings & Loan, the State Bank, the First National Bank and the Post Office will be closed Monday in observance of Memorial Day. All the schools will be closed on both Monday and Friday.

Antioch High School athletes, both boys and girls, will be honored at a banquet sponsored by the State Bank of Antioch on Wednesday, June 4, at Lorenz's Smart Country House beginning at 7 p.m. The public is invited. Tickets are \$6 each and may be purchased at the bank or the high school.

Saw lots of familiar faces at

the Band Concert on Saturday night at the High School and most of those same faces Sunday afternoon at the Grade School Band Concert.

John Olisar and Larry Wagner and the bands did a terrific job — with such a good feeder program now, I'm sure Antioch High will be one of the top bands in the state.

Congrats to the track team of Antioch Upper Grade. Hear they walked away from their conference meet with 35 individual awards and the seventh grade title. Nice work boys.

Mr. and Mrs. Richard Stroner are happy to announce the birth of their first child on May 15, in San Diego, Calif. Kevin Joseph tipped the scales at 10 lbs. 10 oz. Maternal grandparents are Mr. and Mrs. Richard Stroner of Antioch. Great grandparents are Mr. and Mrs. John Mulac,

also of Antioch.

Lots of sunburns came along with a super day of Coho fishing for the Methodist Church Men's group. They spent the day Sunday on Lake Michigan on Chop Eberley's boat.

Condolences to the family of Dale Neelans.

The Ladies of the Methodist Church were entertained by a group of Zion students who did a marvelous job with their production of Show Boat at the annual Mother-Daughter banquet last Friday evening. Two Jennys were given special mention - Jenny Nevilier was the oldest mom attending and Jenny Leonhart was the youngest child.

For a real treat, try to make the Zion High School performance of Show Boat to be presented on May 23, 24 and 25.

Birthday wishes to Jennie Van Patten and Joan Larson on the 21st, to Nancy Pawlowski on the 22nd, to Sheryl Holmes, Bill Carney and Barb Polsgrove on the 23rd, to Clara Merryman on the 25th and to Ken Watson and Gerri Ring on the 26th.

Anniversary congrats to Jerry & Peggy Van Patten, and Arlene and Ed Olszewski on the 23rd, and to Ev and Elaine Oftedahl on the 24th.

See ya,
Annie Mae

Program Aims At
Better Mail Service

Postmaster Walter P. Barnas has announced the beginning of a pilot program aimed at expanding the level and quality of service for customers served by the Antioch Post Office.

The consumer service program, which will begin in Antioch today, is an outgrowth of Postmaster General Benjamin Bailar's determination that service to the public will be friendly, courteous and efficient, as well as speedy and reliable, Postmaster Barnas said.

"Good service is a far broader concept than just fast mail handling, as important as that is," he said. "It is also built on employee courtesy, our responsiveness to customer needs, and the sympathy and understanding we bring to your own expectations of what good postal service is all about."

The pilot program is being conducted in Illinois, Massachusetts and Arizona. It is expected to last about six weeks, and following evaluations will be implemented nationally.

Postmaster Barnas urged customers in Antioch to bring their inquiries and complaints to the attention of the postal manager. And if people feel their problems have not been properly handled, the postmaster said, they should see him personally.

personally.

To make it easier for a customer to make a suggestion or complaint about service, a new Consumer Service Card will be available from letter carriers and at post offices.

According to Barnas, the card is two post cards with carbon paper between them. "One copy goes to me or a station superintendent so work can begin on the complaint," he said. "The other goes to Postal Service headquarters in Washington for cataloging and analysis. The cards will help management spot problem areas and trends."

The card, which Barnas said takes no more than two minutes to fill out, can be used to register a complaint of any kind or a compliment.

Additional
Tax Relief

An additional tax relief grant for senior citizens and disabled persons is available, according to a spokesman for the Antioch office of H&R Block and Co.

The new grant is in addition to property tax relief available under what is commonly called the "Circuit Breaker Law."

Persons are qualified for the additional tax relief grant if they were 65 years of age on or before Jan. 1, or had a physical or mental disability, as of Dec. 31, that has lasted or is expected to last a year or more.

Also, the person must have a household income of less than \$10,000 and be a resident of Illinois at the time he or she files.

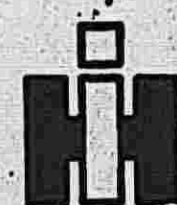

The grants range from \$50 to \$100. More information can be obtained from the H&R Block office, 395-3406.

Poppy Day Sale Planned By Legion

The American Legion and American Legion Auxiliary in Illinois will work together on the Poppy Day program May 23-24.

Their slogan this year is "Ring out the Belles Loud and Clear - Wear a Poppy for our Veteran this Year."

Proceeds from the distribution of the American Legion

Poppy are important to veterans in hospitals throughout the state.

The small red flowers came into being following the conclusion of World War I and each year begin to make their appearance in the days and weeks near Memorial Day. They are made by hospitalized

veterans and the proceeds from their distribution remain in the community and are used for service programs for children, rehabilitation and service to the veteran and his family.

Mrs. Ruth Pettigrew, Poppy Chairman of Antioch Unit No. 748, is asking for volunteers to assist her in the distribution of the poppies.

Handicapped Campers Need 50 Attendants

Fifty male volunteer attendants are needed to help care for muscular dystrophy patients who attend the free summer camp in Lake Villa.

Two one-week sessions are held, June 15-21 at Camp Ravenswood and June 22-28 at Camp Hastings.

Male attendants are needed because patients, usually confined to wheelchairs, need much help with the ordinary daily routine. While at camp, additional aid is required so the patient can participate in camping activities. They include swimming, boating, fishing, horseback riding and camp fires.

Attendants become constant

companions and often develop lasting friendships with the campers.

Male attendants must be 15 years or older. Room and board are provided by the Muscular Dystrophy Association. The attendant must be a congenial person who is anxious to become a friend to a handicapped person. All volunteers are given orientation sessions.

The dream of a week at summer camp will not be a reality for the person with muscular dystrophy unless the needed male volunteers are found. If you are interested in becoming an attendant, please call 427-0551.

OBITUARIES

FRANCES E. NOLAN, 71, of Petite Lake, passed away on Friday, May 16 at the Rolling Hills Manor Nursing Home in Zion. She was born Jan. 2, 1904 in Nebraska. She moved to Chicago in 1918 then to Antioch in 1949. She and her husband had owned a tuckpointing and building cleaning business in Chicago, where she was the bookkeeper for the firm. They then operated Nolans resort on Petite Lake for many years and she assisted her husband in the operation of this business.

She married Matthew P. Nolan on Jan. 12, 1921 in Chicago.

Survivors are her husband, Matthew; one son Matthew J. (Helen) Nolan of Antioch; one daughter Mrs. Madelyn (Carl) Olson of Chicago; four grandchildren and two great grandchildren.

Rev. Allen Olson officiated at the funeral Tuesday at the Strang Funeral Home in Antioch. Interment was in Hillside Cemetery in Antioch.

CARL H. JOHNSON, 76, of Belmore Subdivision in Lake Villa, passed away Wednesday, May 14, in Victory Memorial Hospital. He was born Feb. 25, 1899 in Kropp-Warmland, Sweden. He came to America in 1926 settling in Chicago until moving to Lake Villa in 1929. He married Grace Timmersman on Apr. 20, 1961 in Lake Villa. She preceded him in death on Apr. 17, 1966, he was also preceded in death by two brothers.

Mr. Johnson was a retired bartender and had also worked as a gardener for several years. He was a member of the Antioch Moose Lodge No. 525 and the Antioch Post No. 748 of the American Legion. He had served in the U.S. Army during World War II.

Survivors are one brother and several nieces and nephews.

Funeral services were held Saturday at the Strang Funeral Home in Antioch. Interment was in Mt. Carmel Cemetery in Antioch.

Women of The Moose

The Women of the Moose business meeting May 15 was attended by 50 women.

The new officers were elected. They are Senior Regent Stephanie Polson, Junior Regent Judy Cook, Chaplain Anita Wisniewski, Recorder Cheryl Wise and Treasurer Irene Klemz.

Four candidates were enrolled: Lillian Olson, Hazel Jones, Florence Ahrens and Marilyn

Jean Thayer.

Birthday marchers were June Ballenger, Dorothy Ottenstroer, Gladys Schroeder, Elizabeth Mercatoris and Margaret Blickle. Share the Pot was won by Dorothy Tralewski.

Karen Kartuska will receive her cap and gown on June 7 at Mooseheart. A bus trip is being planned. Those interested in going can call Judy Page.

In Germany, the fumes from hot iron on which oil has been poured is considered a cure for toothache.

Girl Scouts Need Leaders

The Girl Scout service team of Antioch will hold its monthly meeting at the Antioch Library at 7 p.m. Thursday.

"We are badly in need of new members for the service team," said Helen DeVries, director of Girl Scouting in Antioch.

"We also need new leaders in all levels of Girl Scouting," she said. "If we want Girl Scouting to continue in Antioch we will need the cooperation of all the parents and any townspeople who like to work with our young people. If you can help, please call me at 395-3975."

Fire Fighters Compete Here On May 31

The 43rd annual Lake County Firemen's Convention will be held in Antioch on Saturday, May 31.

The fire fighters will participate in several events and competitions, all of them in the area of Broadway Street, west of the Antioch fire station.

Inspection of trucks begins at 8:30 in the morning, followed by

a "three-man hookup" competition at 9 a.m., "hose rolling" at 9:45 and "five-man bucket brigade" at 10:30.

A six-mile parade will begin at 12:15 p.m. and last for about a half-hour.

The parade of firemen and their vehicles will start at the fire station, proceed south on Broadway to Lake Street, then

west to Rt. 173 and back east to Rt. 83, near the high school.

From there the parade will go through town, north on Main St., circle through the Oakwood Knolls subdivision and wind up

back at the fire station.

A "Five-man hookup" competition will begin at 1 p.m. and water fights will start at 2:30.

Scoring in the various events will determine the department that wins the "Grand Trophy."
